

## **St. Rose School Picnic**

Our annual school picnic will be held on June 2, 2010 at Tod Park. Last year the students enjoyed many activities such as the Bounce around, bird demonstration, D.J., bucket/sponge game, kickball game and whiffle ball game. Grades 3-8 also enjoyed the scavenger hunt but especially the \$10.00 individual movie cards that each winning team received. The students also enjoyed slushy's, popcorn, hamburgers/hotdogs, cookies and a great sundae bar!!

Planning for our next picnic is underway. A meeting for those parents who signed up to volunteer will be held soon. We will be discussing activities, food and any other suggestions you might have. If there are any parents who did not sign up and would like to help please contact me. Looking forward to another great picnic!!!
